BATHROOM RUST REMOVER

REMOVES STAINS
INSTANTLY

**DANGER! SEVERE EYE IRRITANT. SKIN IRRITANT.
HARMFUL OR FATAL IF SWALLOWED.** Read entire label prior to use or storage.

RUST AID® BATHROOM RUST REMOVER is safe for indoor surfaces. Use it to clean tile, stainless steel, chrome, porcelain, fiberglass and glass.

DIRECTIONS FOR USE: 1. When transferring to another container or using directly from container, wear chemical-resistant gloves and chemical splash goggles. 2. Apply RUST AID® full-strength to the affected area using a brush, cloth, or sponge. 3. Allow product to sit for no more than 2 minutes. 4. Rinse the treated area thoroughly with cold water. 5. After use, rinse brush, cloth, or sponge thoroughly with water or dispose.

HELPFUL TIPS: Every surface is different, so always apply on an inconspicuous area before using. Will etch glass, glazed tile and porcelain if not rinsed immediately after stain is removed. Do not use on the following: paints; stains; bricks containing iron oxide pigments (red colorant); natural marble; stone; or terrazzo. Rinse immediately if product contacts metal-plated fixtures as metal finish can be removed.
